RULES FOR JUNIOR (NON-COLLEGIATE) CATEGORIES & METHOD OF COMPETITION

The Championships will be conducted in accordance with the Contest Rules, Organization Code and Sporting Code of the International Judo Federation, as revised for the USA JUDO Youth and Scholastic National Judo Championships. These rules include, but are not limited to draw, weigh-in, length of contests, and competition procedures. **Competitors fighting in more than one category need only weigh in prior to the first day of their competition.** Junior points will no longer be awarded on the junior roster for medals won in Collegiate divisions. **Athletes competing in Junior divisions do not have to be enrolled in academic institutions to be eligible to compete, however, they must be enrolled if they are seeking to be named Academic All Americans or High School All Americans. A academic verification form is enclosed at the end of this package for those competitors**

Method of competition for junior categories will be standard ("true") Double Elimination System with winner's and loser's brackets will be used. The winner of the loser's bracket will compete against the winner of the winner's bracket for 1st and 2nd place. The first one of these two contestants to have two (2) losses will be placed second; the other will be placed first. The loser of the loser's bracket will be placed 3rd. For categories of under five contestants, round robin will be the method of competition.

There will be no seeding for any junior categories with the exception of the IJF Juniors where the top 4 athletes will be seeded in each division. In the event a seeded athlete is not present, the other athletes will not move up in seeding but will remain in their pre-designated seeded position.

Juniors winning medals in the IJF Juniors, Juvenile A, Juvenile B, Intermediate 1 and Intermediate 2 will be awarded 10 points for a gold medal, 6 points for a silver medal and 4 points for a bronze medal.

The draw will be conducted using USA JUDO approved software. The draw will be random, with the restriction that players having the same State affiliation will be placed as far apart in the bracket as possible.

The Texas Match Scheduling system will be used. Contestants will receive a card specifying their contest area number and match number. All contestants are expected to report to their assigned contest area three matches prior to their assigned match number.

- **Determination of Weight Category:** Athletes are asked to make a **preliminary declaration** of weight on the entry form or at check-in/registration. However, in this tournament the athlete's actual weight at weigh-in will determine the category of competition, i.e. the athlete does not have to "make" the declared weight.
- **Shime-waza rule:** Shime-waza (choking) allowed in Juvenile A, B and IJF-Junior divisions only.

- **Kansetsu-waza rule:** Kansetsu-waza (arm locks) allowed in IJF-Junior divisions only.
- **Injury Rule:** Decisions as to whether an athlete may continue if injured while on the mat, are to be resolved in accordance with IJF rules; such decisions occurring off the mat or not covered by the IJF rules, are to be made by the coach, the athlete, and the Team Doctor. If there is not a unanimous opinion among these three individuals, the athlete **may not** continue (Board-approved October 22, 1998.)
- **Match lengths:** Bantam, Intermediate, Juvenile A - 3 minutes
Juvenile B and IJF-Junior - 5 minutes
- **Judo gi color:** Although optional, USA JUDO encourages the wearing of a Blue judo gi by the “blue” side competitor. The “white” side competitor must wear a white judo gi. Competitors are responsible for appearing in the correct color gi. Under no circumstances shall both competitors be allowed to compete in blue gis, nor will the blue and white competitors be allowed to switch positions. The gi jacket and pants must be the same color; no mixing of colors. In all matches where the both competitors are wearing white gis, both competitors will remove their grade belts and wear a blue or white belt to identify the contestant’s designated color for the match.

COMPETITORS AND THEIR COACHES ARE RESPONSIBLE FOR PROVIDING THEIR OWN BLUE AND WHITE BELTS FOR THIS COMPETITION. THIS RULE WILL INSURE THAT THE BELTS FIT PROPERLY. PLEASE MARK YOUR BELTS WITH YOUR NAME OR CLUB.

- If a contestant has no one else in the division he or she weighed in for, the player may move up one age or weight category where there are matches (see Consent for Weight Change Form). Any changes must be made prior to the start of the draw!!! **Note: Moving a contestant to a different age or weight group is subject to the USA JUDO rules in effect at the time of the event.**
- Divisions will be posted for coach/player inspection as soon as possible after the close of weigh-ins on each day. One hour later, any necessary corrections will be made, the draw will be performed, and brackets, with match numbers, will be posted.
- Refer to the Eligibility Rules for Pre-Qualification Requirements.
- Athletes placing in these Championships in the Intermediate, Juvenile and IJF-Junior categories will be considered Junior Elite Players.
- Only contestants who are citizens of the United States and eligible to represent the United States in international competition may participate in these Championships.
- Authorized coaches will be given admission onto the venue floor. One coach per contestant.

RULES FOR COLLEGIATE COMPETITORS & METHOD OF COMPETITION

Modified Double Elimination System with winner and loser’s brackets will be used. Play will progress in the winner’s bracket in a single elimination format until one match remains (the “final” match.) The winner of the final match will be placed first; the loser of that match will be placed second. All players who lose prior to the final match will be placed in the loser’s bracket. The winner of the loser’s bracket will be placed third. Juniors will no longer be awarded points on the junior roster for winning medals in collegiate categories. **Competitors fighting in more than one category need only weigh in prior to the first day of their competition**

Contestants may check weight as many times as desired prior to the official weigh-in. A contestant is given only one chance on the official scale during official weigh-in. **At weigh in, athletes must present their tournament-issued identification card AND all athletes in the Juvenile A, Juvenile B, and IJF-Junior, Standard Collegiate and Novice Collegiate categories must present a photo ID.**

All contestants must compete at their true age (exception: IJF-Junior Category, Collegiate Categories) and weight except where the contestant is uncontested, or if a waiver has been granted by the chairperson of the Junior Development Subcommittee. In the case of an uncontested competitor, the competitor may either move up into a higher weight bracket of his/her age or the next age bracket but in the same weight (refer to Consent for Weight Change Form).

Junior Categories (Non- Collegiate) of Competition and Weight Divisions

Please note that each Category is based solely on the year in which the contestant was born. The contestant's actual age on the day of competition is irrelevant. All Weights listed below are in kilograms. For each weight division, the weight range will be over the next lower weight and up to and including the weight listed. Exception: PJU lightweight in the IJF-Junior Category (explained below).

Example: Bantam 1, 28 kg – over 23 kg and up to and including 28 kg.

The Tournament Director reserves the right to make changes in the highest and lowest weight classes in the BANTAM and INTERMEDIATE divisions when it is in the best interest of the contestants to make these changes due to differences in weights.

The following age/weight Categories will be in use **for this year's event (2008):**

BANTAM 1 (Born 2002): Female AND Male: 19, 23, 28, +28 kg	INTERMEDIATE 2 (Born 1996-1997): Female AND Male: 28, 31, 34, 38, 42, 48, 53, +53 kg
BANTAM 2 (Born 2001): Female AND Male: 21, 25, 30, +30 kg	JUVENILE A (Born 1994-1995): Female AND Male: 36, 40, 44, 48, 53, 58, 64, +64 kg
BANTAM 3 (Born 2000): Female AND Male: 23, 27, 31, 35, +35 kg	JUVENILE B (Born 1992-1993): Female: 40, 44, 48, 52, 57, 63, 70, +70 kg Male: 51, 55, 60, 66, 73, 81, 90, +90 kg
INTERMEDIATE 1 (Born 1998-1999): Female AND Male: 26, 30, 34, 38, 43, +43 kg	IJF-Junior (Born 1989 or later): Female: 44, 48, 52, 57, 63, 70, 78, +78 kg, Open Male: 55, 60, 66, 73, 81, 90, 100, +100 kg, Open

The IJF-Junior Category is the same as the International Judo Federation Junior-World Category. This means that there is no lower age limit. Athletes may enter if they are born in 1989 or later (1989, 1990, 1991, 1992, 1993 etc.).

Clarifications to IJF Junior Category:

1. The Pan American Judo Union (PJU) lightweight divisions, 44kg for women, and 55kg for men, will still be contested for PJU team selection purposes. Athletes whose weight would normally place them in these PJU divisions may elect to compete in the next higher weight divisions for Junior World Team selection purposes.

2. For some PJU events, eligibility is restricted to athletes born in 1989, 1990 and 1991 only. Therefore, athletes who are nationally ranked in the IJF-Junior Category but do not meet the PJU year of birth requirements, will not be eligible for USA team selection in such events.
